In a humorous, conversational style, it covers all the basics of Standard bidding as well as offering some ideas on play and defense. The book includes a scoring table and a useful glossary of technical bridge terms. Designed to fit in a purse or pocket, this book will be perfect for those times when you want to point to something and say "Look partner, it says here you should have done this!" and win your argument! This guide is, however, much more comprehensive in its content.
