

Physical French Phonics: A Tried and Tested System for Teaching French Phonics (Mixed media product)

By Sue Cave, Jean Haig

Brilliant Publications, United Kingdom, 2012. Mixed media product. Book Condition: New. 292 x 206 mm. Language: English . Brand New Book. Physical French Phonics is a tried-and-tested multisensory approach to teaching French phonics. It has been developed in conjunction with primary school children and their teachers over the course of several years. For each phoneme, students learn an action, as well as the graphemes associated with that sound. Cheerful colourful cartoon pictures link the actions to the sounds and help to facilitate learning. The comprehensive teacher's guide provides a clear step-by-step approach to introducing pupils to French phonemes. It contains practical advice, activities and guidance, along with photocopiable games and reference sheets. Through using Physical French Phonics your pupils will not only learn to pronounce correctly the French vocabulary introduced, they will also gain the skills to tackle any new vocabulary they encounter with confidence. The DVD contains everything you need: video clips of French speakers saying each sound and performing the associated action; video clips of French speakers saying and acting out key words, carefully selected to introduce all the French phonemes; video clips of French speakers demonstrating how liaison works in practice; audio clips of all the...

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
