

## Early Church History to A. D. 313, Vol. 1 of 2 (Classic Reprint)

By Henry Melville Gwatkin

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Early Church History to A. D. 313, Vol. 1 of 2 The present edition has been revised with a view to recent work on the subject. A few paragraphs have been added, and many small changes are made, but the general position is unaltered. A few more books are mentioned for further study, but the scholar must be referred for a fuller Bibliography to von Schubert or the new work of Dr. Gustav Kruger (1911). For criticism and advice my best thanks are due to many living friends and to one no longer living, for some of the most helpful notes were sent me by Bishop Collins almost from his deathbed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
