Cliffs and promontories that nearby confuse the eye, bewilder the sense, and hide from view the awe-inspiring bulk beyond, farther off blend themselves with imposing outline, into one symmetrical form. Lost in admiration he holds the massive shape slowly lifting itself upward from its base until the top in solitary grandeur cleaves the sky. Too great to climb to survey the vast expanse from its lonely summit he must be content with prospects here and there that please, with views of dale and glen that excite the fancy, of forests that frown in their impenetrable depths. In the lapse of nigh half a century since the ruthless hand of a cowardly assassin smote Abraham Lincoln in the place of power, the angry passions of men have become cool, the law has resumed its sway, order everywhere prevails, a broken country has been restored to former limits, upheavals like great tides that shook it from end to end have subsided into the tranquility of a summer lake. It is as if the Divine Voice had said to the turbulent elements, as once it spoke to the troubled waters, Peace, be still. Many books have been written of LINCOLN, a library of itself, and this generation knows him better and holds him higher than the one that lived with him. But legend is already weaving a web...
