H: During the Year 1861, Together With the Names of the Soldiers of This Town in the War As the year 1861 will be ever memorable on account of the most stupendous and wicked rebellion the world has ever known; and as every correct history of the country must derive its sources in a measure from the current events of the individual towns which go to make up the country, I have thought proper to select from my Daily Journal a few brief memoranda relating to Exeter, and to embody them: together with the names of our gallant soldiers; in this little brochure which I take the liberty to present as a New Years Offering to our patriotic and worthy citizens. [N. B. Meteorological observations were taken for the Smithsonian Institute at 7 A.M. and at 2 and 9 P.M. Only the maximum and minimum of the Barometer and Thermometer for each month are given.] About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
