

## The Garies and Their Friends

Filesize: 8.36 MB

### **Reviews**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Lupe Connelly)*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In which the Reader is introduced to a Family of peculiar Construction. It was at the close of an afternoon in May, that a party might have been seen gathered around a table covered with all those delicacies that, in the household of a rich Southern planter, are regarded as almost necessities of life. In the centre stood a dish of ripe strawberries, their plump red sides peeping through the covering of white sugar that had been plentifully sprinkled over them. Geeche limes, almost drowned in their own rich syrup, temptingly displayed their bronze-coloured forms just above the rim of the glass that contained them. Opposite, and as if to divert the gaze from lingering too long over their luscious beauty, was a dish of peaches preserved in brandy, a never-failing article in a Southern matron's catalogues of sweets. A silver basket filled with a variety of cakes was in close proximity to a plate of corn-flappers, which were piled upon it like a mountain, and from the brown tops of which trickled tiny rivulets of butter. All these dainties, mingling their various odours with the aroma of the tea and fine old java that came steaming forth from the richly chased silver pots, could not fail to produce a very appetising effect.
