W Foulsham & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Personal Development with Tarot (2nd), Catherine Summers, Julian Vayne, In our modern technological world, we have access to the religious and philosophical belief systems of a whole range of cultures, and this has become coupled with a new attitude that the individual is ultimately self-responsible. In this new age, we understand that we must find out through our own efforts our individual route to personal understanding. Increasingly, modern psychologists are discovering the validity of ancient symbolic systems such as the Tarot, and in this thoughtful yet straightforward guide, the authors offer a skilful interpretation of this ancient art for the modern reader as a guide to a deeper understanding of who we are and our unique place in the world.
