Reviews

This ebook is great. It typically will not expense a lot of. You will not sense monotony at any moment of your own time (that's what catalogs are for about when you question me).

It's fun to find ways I'm like you and you're like me. It's fun to find ways we're different. In this colorful, inviting book, kids from preschool to lower elementary learn about diversity in terms they can understand: hair that's straight or curly, families with many people or few, bodies that are big or small. With its wide-ranging examples and fun, highly detailed art, I'm Like You, You're Like Me helps kids appreciate the ways they are alike and affirm their individual differences. A two-page adult section in the back provides tips and activities for parents and caregivers to reinforce the themes and lessons of the book.
