

Aliens vs. Mad Scientists Under the Ocean

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Nosy Crow, United States, 2011. Paperback. Book Condition: New. Nikalas Catlow (illustrator). 208 x 146 mm. Language: English . Brand New Book. Introducing Mega Mash-ups from Nosy Crow, an imprint of Candlewick Press! These books take great subjects for boys and combine them into short, bonkers, and funny stories that are incredibly easy to read. The illustrations are bold and crazy, and there's plenty of space left on each page -- together with suggestions for how to fill it -- so kids can add their own drawings. The books read as hilarious, zippy stories that look a lot like novels but are terrific doodle books as well. The earth is in peril! Aliens are trying to stop it from spinning so that everyone will fall off and they can take over. Mwa-ha-ha-ha! But fear not! The Mad Scientists are building a genius underwater machine to save the day. If only the Aliens would stop zapping them with their Frazzelizers. . . .
