Written by a former teacher who wanted to reach beyond her classroom to show each of her young students that they have a great plan and future, each chapter reflects lessons written specifically for real life, every day issues. Noticing the tremendous moral decay in today s youth, she set out to create a program that would re-establish basic morals and values that is lacking in a generation raised by reality television and deficient in positive role models. The lessons which focus on topics such as identity, leadership and manners were crafted to take a young woman on a journey to becoming a leading lady amongst her peers and in society.
