Date :2008-4-1. In English learning, special skills training is not efficient is a common phenomenon, and comprehensive book to explain the types of counseling are too general, for The students feel confused, from the unknown. The reason is mainly the lack of systematic, scientific, rigorous training. In order to improve students' awareness of scientific training, and enhance the various special skills, we introduced the Jie entrance into the English spoken and practiced series, including reading comprehension, listening comprehension, Cloze, vocabulary and grammar written expression and five English High School, third year review and Notes Series. In writing the book seeks to reflect the following principles: clear objectives, thesis features section to outline the basis of entrance examination, with reference to high school curriculum requirements, college entrance examination to follow the laws and trends, conduct in-depth analysis of the kinds of questions on the college entrance examination, students from special kinds of questions on the macroscopic characteristics of the proposition to have a comprehensive understanding of the system. Step by step test strategy part of the staff from the basics, and then supplemented with various kinds of questions corresponding to the problem-solving skills, students from the fundamental solution to the problem and rely on tips to do guess the theme of embarrassing situation, truly progressive. Jingjiang refined Zhenti resolve the most authoritative part of the selection Studies Management to explain. Focus on ideas and methods of analysis, be sure to tell all, thoroughly, in order to deepen students' mastery of the knowledge points. Simulated sprint section select the number of sets of key national high school mock examination papers, focuses on...
