

Prehistoric Mesoamerica

Filesize: 4.9 MB

Reviews

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.

PREHISTORIC MESOAMERICA

[DOWNLOAD PDF](#)

University of Oklahoma Press, United States, 2005. Paperback. Book Condition: New. New edition. 234 x 155 mm. Language: English . Brand New Book. This major revision of Richard E. W. Adams's classic text on the ancient civilizations of Mesoamerica adds new information available from archaeological fieldwork in the region from the 1990s through 2004 and also evaluates recent theories regarding the remarkable prehistoric cultures of a region that today encompasses Mexico, Guatemala, Belize, and parts of Honduras and El Salvador. This up-to-date overview provides an introduction to Mesoamerican studies, a brief geographic sketch of the region, and a summary of the major features of its civilizations. Adams follows with a detailed examination of each period of Mesoamerican cultural history, from early prehistoric times through the rise and fall of various city-states to the ascendancy and ultimate fall of the Aztec Empire. Prehistoric Mesoamerica will be of interest to both students and scholars in the field and to general readers interested in the rich diversity of Mesoamerican art, society, politics, and intellectual achievement.
