Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 104 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. A review from the Journal of Education, Volume 22: THIS book is primarily intended for the use of the teacher of deductive logic, and may very well be made an adjunct to any good handbook on the subject. It consists of three hundred well chosen passages from standard literature, which are to be examined and considered from the point of view of logic. It seems to us well suited to its purpose, and very likely to add much liveliness to the lessons. From the PREFATORY NOTE. IN the following collection, illustrating fundamental processes of Deductive Logic, with examples taken from general literature, the compiler has had in view, primarily, the needs of teachers of the subject. Many of the manuals in common use present those processes (particularly the syllogism) in the form of what Dr. Venn aptly terms prepared material; and the instructor consequently finds difficulty in convincing his hearers that the logic of the class-room bears any relation to thought as met with in ordinary discussion and in books. Thus, without attempting a comprehensive treatment of rhetorical logic such as Jevons had in view, but unfortunately did not live to carry out, it yet seems possible to offer a little volume that may serve some purpose as an adjunct to any well-known handbook not in any sense as a substitute. Should a timorous objection be urged that several of the specimens selected involve questions quae in sermone et opinione positae sunt, as Bacon puts it, the reply is that the student also has been kept in mind. In the present writers experience the timely introduction of a syllogism of controversial, or even of polemical interest has often...
