

Growing Up Jacksonville: A 50s and 60s River City Childhood

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

History Press (SC), United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Jacksonville during the 50s and 60s was a wonderful and energetic place for the children who called it home. The northeast corner of the Sunshine State was the perfect and picturesque backdrop for some of America s timeless traditions. Mothers belonged to garden clubs and fathers played the golf links, while the children who grew up in Jacksonville frolicked on the warm beaches and fed peanuts to Miss Chic, the first elephant at the Jacksonville Zoo. They strapped on skates and held hands as they circled the rink of the famous Skateland, wandered down the stacks at Haydon Burns Library and crossed the many bridges that traversed Jacksonville s waterways. Join Dorothy Fletcher, former columnist for the Florida Times-Union, as she recounts the memories and adventures of the people who grew up Jacksonville.
