

Mexifornia : A State of a Becoming

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Bernie Mante PhD)

MEXIFORNIA : A STATE OF A BECOMING

DOWNLOAD

Encounter Books, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Noted for his military histories and his social commentary on post-9/11 American life, Victor Davis Hanson is a fifth-generation Californian who teaches college classics courses and runs a family farm. Mexifornia is part history, part political analysis and part memoir. It is an intensely personal book about what has changed in California over the last quarter-century, and how the real losers in the chaos caused by hemorrhaging borders are Mexican immigrants themselves. But Hanson believes that our traditions of assimilation, integration and intermarriage may yet remedy a problem that politicians and ideologues have allowed to get out of hand.
