CAREER AS A CERTIFIED MEDICAL ASSISTANT

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.CHANCES ARE YOU ENCOUNTERED A medical assistant the last time you visited a physician. It could have been the person who scheduled your appointment, or whom you first met with in the exam room, asking routine questions while checking your vital signs. A medical assistant may have helped you with your bill or your prescription needs by calling or emailing the prescription into the pharmacist. Medical assistants are there to make sure you receive the best treatment possible. There are many opportunities for employment in today s healthcare without undergoing the cost and training required to become a physician or nurse. A career as a certified medical assistant (CMA) stands out as an increasingly vital component in medical practice. Multi-skilled and versatile, medical assistants help care for people and improve productivity in a medical practice, while providing a human touch. Along with the numerous scientific advances that have occurred in medical care over the past century, many changes have also taken place in the way medical care is provided. Long gone are the private practitioners, who until the 1970s often made house calls. These dedicated physicians provided individual care and typically were aided by only a single nurse and sometimes a secretary in the office (although the nurse often handled those duties). With the introduction of managed care and other changes in the economics of healthcare, individual physician practices are disappearing. In their place are larger practices that typically include several doctors and a significant nursing and administrative staff. As a result, physician practices, from those focusing on general care, to specialists such as orthopedic surgeons and ophthal-mologists, are turning to medical assistants in the interest of cost-effectiveness...
