By D M Green

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Little Chicks: How to Hatch and Rear Them Successfully; A Complete and Comprehensive Treatise on Chick Raising Covering Every Step of the Work From the Breeding Pen, Through the Shell to the Market Period and Maturity The poultry business of the present day is so far reaching, so broad in its scope, with no fixed rule as to the more profitable method of conduct, that in a majority of instances heretofore, where large revenues have been earned from poultry, the profits thus realized have come as a result of the ability exercised by the individual breeder from day to day, rather than from knowledge gained through the experience of others or any careful study of literature. Placing due responsibility upon all branches of the work, yet the ultimate success of the poultryman depends almost entirely upon the hatching and rearing of the chicks. The incubation, growth and development must be governed by such conditions as will bring the little chick from the shell in a normal, healthy state, permitting the building of a strong, vigorous...
