Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Expeditions is the second book in the Corvidian Trilogy. I Battleground presented the predicament that the crow was born into, as well as, his travels throughout inner universe. Before blasting into outer space, Hosanna decided that he will meet the Master Within; and so it is that Expeditions begins. He links up with the Elder Crow who guides him throughout universal travels, filled with adventurous contact with mundane and ascended beings: They introduced him to a way of being in life on worlds that the little crow never before dreamed existed. This continuous journey is important as it is a combination of inner work and concrete experience that brings about the personal victories that transform our lives. Before Expeditions comes to an end, the low-down truth that torched humanity before the ancient erthe world transition is revealed. Though teachers now do abound, and encircle the crow all around; the phantom is still large and in charge, encouraging him to do that which he should not do, urging him to act in ways that would surely cause not only his own premature death but also the demise of others - taking systems and worlds to the brink of destruction. Hold on little Crow. This battle is bigger than and beyond yourself! The Corvidian Trilogy: II Expeditions is a spellbinding read. It s an allegory of the spiritual/moral development of a preadolescence boy who is mentored by a wise, patient, and much older male. The two principle characters are represented as black birds, specifically very intelligent and articulate crows. Indeed, almost all of the human characterizations in this story are portrayed as birds. Using birds as stand-ins...
