Sea Raven Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you know that the true Jesus of history had no intention of founding a new religion and that the faith that took His name actually arose long after His death? Did you know that our Lord did not portray Himself, nor did His first followers see Him, as the Messiah, but rather as an enlightened teacher, amazing physician, and sagacious prophet? Did you know that the real Jesus never referred to Himself as Savior or even as the son of God, but instead called Himself the son of Man, a common Aramaic expression meaning a human being? Did you know that He did not preach The Gospel of Jesus Christ, but rather what He called The Gospel of the Kingdom, which concerns a spiritual state of mind? Did you know that like His brother James (the earliest New Testament writer) the genuine Jesus never mentioned His virgin birth, His Disciples, the Twelve Apostles, the Last Supper, His coming betrayal, trial, redemptive death on the cross, or resurrection, or even the Christian faith? And did you know that the evidence for all of this can be found in a secret scroll known as The Gospel of Q that exists in plain sight in the Bible, and yet is generations older than the four canonical Gospels? In his powerful new book *Jesus and the Gospel of Q: Christ's Pre-Christian Teachings As Recorded in the New Testament*, award-winning historian and Bible scholar Lochlainn Seabrook unveils the hidden enigmas of the mysterious gospel that has been lost for nearly 2,000 years, the little book that finally uncovers the authentic Jesus and His true ministry: The Gospel of...
