iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Yes, Virginia, there is a Santa Claus. But what does Santa have to do with Christmas? It's a question Dawn Nolan faced when her adult daughter, Lynn, called her for advice after her son became upset at the notion that Santa was just a lie. So Dawn decided to find out what role Santa really plays in this treasured holiday. Placing her story firmly in time and place, Dawn shares her journey in *A Mother's Search for Santa*. In her quest, Dawn realized that believing in Santa is a child's way of learning to believe. And the more that Dawn delved into this simple statement, the more she discovered that when your heart opens, so do your ears. When more questions came up regarding her original premise, she prayed and listened to what the Lord revealed to her. Finally, after much spiritual searching and prayer, Dawn not only had an answer for her daughter, but for the rest of us as well. Warm and inspiring, *A Mother's Search for Santa* brings the true meaning of Christmas straight into your heart and will become a family favorite for years to come.
