Createspace, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want to improve your Algebra word problem-solving skills, this book is filled with what you need the most: Practice! 400 Practice Algebra Word Problems (With Help and Solutions) will make a great standalone or supplemental practice guide for you if you re serious about developing your math word problem-solving skills or raising your grades in school. It contains 400 practice word problems that will sharpen your skills at solving problems involving addition, subtraction, multiplication, division, mixed-operations, systems of equations, mixtures, rates and time, work, and even more! It starts simple and will gradually build your skills from the ground up by presenting word problems from basic to more difficult. And in case you come upon any word problem that gives you trouble, it provides sample equations for each word problem to give you a hint or a nudge in the right direction. Solutions are also given to ensure that you will arrive at the correct answers. But that s not all. 400 Practice Algebra Word Problems (With Help and Solutions) also contains an entire section dedicated to giving you hints, tips, and useful tricks that they don t teach you in school to help you master the hardest part about solving word problems--translating the written words into mathematical equations. And unlike other books, it won t lock you into a rigid, step-by-step solving process or force you to solve word problems in any particular way. It gives you the opportunity to practice and learn in the way that suits you best! So start practicing!.
