Carlton, the book was delightful to read. I enjoyed every part of it, and could not change a thing in the way of content. I was impressed with the way the book flowed from the thing God told you to perform to the adaptation of the lesson learned from it and the application of the same to be learned and used by others. It was so informative. Deborah Harris Editor Carltons life experiences give tribute to the marvelous workings of God in his life. He expresses so vividly the importance of having an ear to hear the word of the LORD as well as being obedient to do the work He has called us to do. Praying Intelligently With Results is truly a testimony to Christ being revealed in all His glory through Carlton and his family as willing vessels and obedient servants who reached out first to God and then to touch so many other lives over the years with Gods Love.
